A triathlon is a multisport race with three continuous and sequential endurance races. The word is of Greek origin, from τρίαθλον, or treis (three) and ἀθλος, or athlos (competition).. While variations of the sport exist, the most common form includes swimming, cycling, and running over various distances. Triathletes compete for fastest overall course completion, including timed ...

Running is a method of terrestrial locomotion allowing humans and other animals to move rapidly on foot. Running is a type of gait characterized by an aerial phase in which all feet are above the ground (though there are exceptions). This is in contrast to walking, where one foot is always in contact with the ground, the legs are kept mostly straight and the center of gravity vaults over the ...
