A Dance of Cloaks is the fourth book I've read by David Dalglish. While I liked his other books a lot, I felt with them that there was something missing to make them 5-star books. Dance of Cloaks was a rather enjoyable read, set in a world where the rich and powerful families of Veldaren are locked in a bloody war with the thief guilds. To me it seemed to have just the right balance of action, romance and politics, and although the story could have been more in detailed, it worked well.
