balance of society™s development principles and goals. The Very Idea of a Development Theory-Practice These two examples of development ethics in action illustrate how development ethics, as moral assessment of the ends and means of societal change, has connection with science, policy formation, and institution building.

Ethics and Development Theory-Practice - TerpConnect

upon the failures of the Washington Consensus, inspired a renewal of development theory, recognizing the need for institutional diversity. The history of development theories suggests that specialists should resist pressures to embrace consensus, as no theory is immune to changes in social values or current policy problems.
