Accounting or accountancy is the measurement, processing, and communication of financial information about economic entities such as businesses and corporations. The modern field was established by the Italian mathematician Luca Pacioli in 1494. Accounting, which has been called the "language of business", measures the results of an organization's economic activities and conveys this ...

Primerica Financial Services is a multi-level marketing company that sells life insurance and investments. Iâ€™ve written about Primerica in the past, questioning whether Primerica is a pyramid scheme, and whether PFS is a scam.. The bottom line is that Primerica sells legitimate products and services (life insurance and investments), but sells them at inflated prices to generally ...
