ETS® Major Field Test in Master of Business Administration Sample Questions Directions: This section contains independent questions as well as questions related to case-based scenarios. Each of the questions or incomplete statements is followed by four suggested answers or completions.

ETS Major Field Test in Master of Business Administration

Philosophical value is distinguished from economic value, since it is independent on some other desired condition or commodity. The economic value of an object may rise when the exchangeable desired condition or commodity, e.g. money, become high in supply, and vice versa when supply of money becomes low.
