Various scholars have developed guidelines, or canons of textual criticism, to guide the exercise of the critic's judgment in determining the best readings of a text. One of the earliest was Johann Albrecht Bengel (1687â€“1752), who in 1734 produced an edition of the Greek New Testament. In his commentary, he established the rule Proclivi scriptioni praestat ardua, ("the harder reading is to be ...

There are allegations that some diploma mills [] take students' money for essays, then produce a low standard essay or close their websites without providing the purchased essay. Students then have little time to provide an essay before a deadline. Also diploma mills have allegedly blackmailed students demanding more money than was originally agreed and threatening to reveal plagiarism to the ...
