

### **ornette coleman a life pdf**

The Shape of Jazz to Come is the third album by jazz musician Ornette Coleman. Although Coleman initially wished for the album to be titled Focus on Sanity, after one of the songs on the album, it was ultimately titled The Shape of Jazz to Come at the urging of Atlantic producer Nesuhi Ertegun, who felt that the title would give consumers "an idea about the uniqueness of the LP."

### **The Shape of Jazz to Come - Wikipedia**

Reviewing Song X in 1986 for The Village Voice, Robert Christgau deemed it Coleman's best album of unadulterated jazz since the early 1970s and believed Metheny's mild mannered style of jazz kept the music uncluttered. "No rock moves, and no funk, harmolodic or otherwise", Christgau added. "It's all sweet lyricism, sonic comedy, and headlong invention."
