Participatory democracy emphasizes the broad participation of constituents in the direction and operation of political systems. Etymological roots of democracy (Greek demos and kratos) imply that the people are in power and thus that all democracies are participatory. However, participatory democracy tends to advocate more involved forms of citizen participation and greater political ...

The central events of the Athenian democracy were the meetings of the assembly (ἀγορά, *ekklesia*). Unlike a parliament, the assembly's members were not elected, but attended by right when they chose. Greek democracy created at Athens was direct, rather than representative: any adult male citizen over the age of 20 could take part, and it was a duty to do so.
