The culture of Mexico reflects the country's complex history and is the result of the gradual blending of native culture (particularly Mesoamerican) with Spanish culture and other immigrant cultures.. First inhabited more than 10,000 years ago, the cultures that developed in Mexico became one of the cradles of civilization. During the 300-year rule by the Spanish, Mexico became a crossroad for ...

Association football, more commonly known as football or soccer, is a team sport played with a spherical ball between two teams of eleven players. It is played by 250 million players in over 200 countries and dependencies, making it the world's most popular sport. The game is played on a rectangular field called a pitch with a goal at each end. The object of the game is to score by moving the ...
